Everyone wants to be like the world's most dangerous spy, but not everyone has a palate that can handle drinks that taste like gasoline or have the stomach to hold it. This tasting panel will allow you to taste some of the drinks that Archer and the gang have been known to consume. From the Black Mexican to the Horatio Cornblower, you're bound to find your new favorite concoction here.

HOST: Pam, of course, and KiWii

[10] Ever wanted to watch the +2 Comedy podcast being recorded live, but can't make it to New Jersey on a Thursday night? You're in luck! +2 Comedy is happy to bring the podcast to your convention. Please coordinate with them to arrange for a guest to appear on their live talk show. For audience members, be sure to bring a prize so you can compete in Host vs. Guest vs. Audience!

[11] Crackships, crossovers, parodies and more. It's like if Oprah's Book Club did My Immortal. Come see the worst of the worst and laugh your ass off at the dramatic readings.

[12] \$35: Bond, James Bond has his Vodka "shaken, not stirred". What's a martini? What's a dirty martini?

[13] \$5: It's 4pm and you're not dancing yet?! For shame! Gather in the lobby of the inn and walk over to the famous tea dance at the Boatslip. Open from 4-7pm, \$5 cover. Any costumes always make for more fun!

[14] Four Contestants. Three video games. One prize. Sounds straightforward, right? But when cheating is encouraged and sabotage is in the rules, the tables can turn at any minute. Be a part of +2 Comedy's live game show before the Official YouTube launch.

[15] \$35 ADD-ON: It may not be SPECTRE's go-to country for blonde double agents, but we've got plenty of love for amber distilled grains - so sign up!

HOST: Staff Sheenan

[19] The MIRACLE DIVAS Drag Troupe of the Miracle Providers Northeast return!

This promises to be an evening of ... well... we've got no idea what to expect with this. It's sure to be something you'll talk about for years.

(WE are asking that you donate to the Miracle Providers Northeast, a volunteer group of entertainers who raise funds to improve the life of children and families impacted by HIV/AIDS.

And the Divas accept tips as they go through the audience throughout the evening.

[23] This parody is not going to win any awards, with its less than stellar animation and voice dubbing, but it's fair game for redubbing by our audience. Come and share your adlibs with your fellow viewers. Remember what has been seen, cannot be unseen. You have been warned...
